Paul launched what is now the New Testament in a world not so different from our's today. He wrote to individuals and congregations sharing God's message which is the Eternal Answer to world issues in every age.

The journey through these Letters will first examine them in the light of the first century, and then compare their relevance to the present age.

Bring your New Testament. Dr. Laycock will be using the NRSV.

This event has been approved for 1.3 hours of continuing education credit for clergy.
