Dear Lovely Lane Regulars,

We will resume services at Lovely Lane this Sunday. Praise God! I have missed being with you and being together with each other. It will be great to be in the presence of God together!

In order to keep everyone safe and healthy, here are some guidelines which will be in effect until further notice:

1. The Chapel will be cleaned and sanitized before and after every worship service.
2. The Chapel seating will be divided in sections. Seating will not be allowed in the first two pews. We are skipping every other row, and in a seating row appropriate spacing between families, couples, and individuals will be observed. An usher will help assist you in seating in the sanctuary.
3. Music will be much different as we gather again. After much research, we have determined that congregational singing and choral music will not be possible for a while.
4. We ask that if you or a family member have COVID-19 symptoms, have a fever, or have tested positive within 14 days, to remain at home.
5. Out of respect for others, we ask everyone to wear a mask and bring your own personal hand sanitizer.
6. Please refrain from handshakes or physical contact with others, practicing appropriate social distancing of at least 6 feet apart.
7. We have removed pew hymnals and Bibles.
8. Offering plates will not be passed during the service. They will be placed at the entrance for you to put your offering in the plate either as you enter or exit.
9. Please practice social distancing as you enter and exit. You may gather for conversations outside of the Chapel.
10. If you are uncomfortable being in a public worship setting, please stay home and I will post a recording online.

If you have any questions or comments, please let me know. See you on Sunday. God bless!

Grace and Peace,
Wayne
