

Love It Again!

We can't wait to see your face again at the perfect stay on St. Simons Island, Georgia.

We look forward to welcoming guests, groups and all the familiar faces back to Epworth by the Sea this fall. We have renovated, upgraded, and enhanced the Epworth experience so you can reconnect with those who matter most and love Epworth by the Sea all over again!

- New interior décor
- Mini-fridges and microwaves
- Improved food quality and variety

Clearing a 656-foot-long shipwrecked vessel has been no small job.

We have been blessed to host the salvage workers removing the Golden Ray. Funds from a maritime disaster helped Epworth survive a global pandemic. Someone said, "The ship that sunk helped keep Epworth afloat."

But we have missed YOU! You have been through a lot during the pandemic. You deserve to get away and be refreshed. We are so excited to reopen to the public this fall. Make plans now to come experience the peace, connection and beauty Epworth offers.
