INTRODUCTION

FIND IT. LOVE IT. EPWORTH.

For generations, Epworth by the Sea has been impacting individuals, families, and groups by providing a premier Christian Conference, Wedding, Retreat & Vacation Center. We consider our grounds, buildings, staff, and programs integral to our mission and a huge part of what makes Epworth by the Sea a special place.

Our gorgeous riverfront campus on St. Simons Island, Georgia, is a celebrated destination for groups, couples, and families in search of a peaceful environment for fellowship and community.

Our goal at Epworth is to nourish our guests not only from their experiences here, but also with our food. We have created our menus with balance, understanding that nourishment is crucial to a wholesome journey, while still enjoying our southern traditions.

May you find fellowship and peace during your stay.
