For generations, couples have found their way to the breathtaking grounds of Epworth by the Sea, drawn by the whispering oaks and the sway of coastal palms, and the timeless beauty for couples seeking the perfect setting to say "I do." Since opening in 1950, couples have brought their families together here, exchanging vows beneath a moss-draped canopy, seeped in history, and celebrating love amidst the timeless elegance of our wedding venues.

At the heart of this cherished place stands Lovely Lane Chapel, an iconic sanctuary where vows are spoken and rings exchanged. Its wooden pews and radiant stained-glass windows cradle each moment in warmth and light, creating memories that linger long after the final blessing. Built in 1880, the Chapel has witnessed generations of promises, and now it awaits to hold yours.

Whether your heart imagines a sunset ceremony along the quiet banks of the historic Frederica River or a classic lawn wedding framed by the Chapel's timeless beauty, Epworth by the Sea provides the setting you have always dreamed of- peaceful, breathtaking and filled with meaning.
